

- Muskrat Lake project
- Bank pin monitoring project
- Partnership with DNR at Maple River State Game Area, Sleepy Hollow State Park, and Muskrat Lake

Challenges:

- Income stream for basic services
- Recruiting new members

Key Factors:

- Develop hands-on activities
- Put fun into the activities

CURRENT PROJECTS/ACTIVITIES

Watershed Slogan:

- Tabled until next meeting

River Guide Books:

- The guide books are our only fundraiser right now.
- The Bushwacker group requested 10 copies.

April 2012 River Clean-Up/Log Jam Removal:

- It was very well attended. 25 people total participated, including scout troops.
- There were 3 different projects that attendees could choose from:
 1. Log jam removal
 2. Float the river and pick up trash
 3. Pick up trash along bridge crossings and boat launches
- 50 tires were disposed of.
- Property owners who cooperated were sent thank you notes.
- The Argus Press wrote an article for the paper.

Log Jam Work Day on West End of River:

- A day needs to be scheduled to remove log jams between Hubbardston Road and Muir.

Maple River Implementation Grant:

- Tabled until next meeting

Muskrat Lake Project:

- Tomorrow is the open house/dedication.

Maple River State Game Area Invasive Species Training:

- To be held on June 6th.
- Those interested should contact Morrison.

OLD BUSINESS:

Bushwacker Event:

- This will take place this coming weekend.

OTHER BUSINESS:

MUCC Party in the Park:

- This will take place in a park across from the Radisson on June 21st to celebrate MUCC's 75th anniversary.
